

Check out what's happening in Saskatoon Willowgrove and throughout the Province!

WISHING EVERYONE A GREAT SUMMER!

JUNE IS AN EXCITING MONTH FOR GRADUATES!

In Saskatchewan, as upwards of 12,000 students graduate from Grade 12 this month. Congratulations to the Graduating Class of 2023 on this very important milestone and accomplishment.

Graduation season is in full swing across the province and I send my sincere congratulations to all graduates! With a growing province, now is an exciting time to be stepping into the next phase of life and exploring all the opportunities available to you. Whether you want to work in healthcare, education, trades, or any other field – there is a job and a great quality of life waiting for you.

Our government has several programs and services for young people looking to build their careers here in Saskatchewan. In the provincial budget, a total of \$112 million was invested in direct support to post-secondary students, through tax credits, grants and scholarships. For example, post-secondary graduates who live and work in Saskatchewan are eligible for up to \$20,000 in tax credits through the Graduate Retention Program. You can learn more about supports for post-secondary students and graduates at www.Saskatchewan.ca/studentloans

SASKATCHEWAN EXPANDS SCOPE OF PRACTICE FOR THREE FRONTLINE HEALTH CARE PROFESSIONS

Expansion To Strengthen Health Care Teams and Enhance Access to Care

The Government of Saskatchewan is expanding the scope of practice for pharmacists, nurse practitioners and advanced care paramedics, which will allow these professions to provide additional services, optimize their skills and improve patient care throughout the province.

"These changes will empower our highly qualified pharmacists, nurse practitioners and paramedics, giving them the opportunity to make greater use of their skills and expertise to further support patient care," Health Minister Paul Merriman said. "Expanding scope of practice in these three professions will serve to strengthen our health care teams, improve patient access to health services and help build additional capacity within our health care system."

INCREASE IN WHOLESALE TRADE BOOSTS SASKATCHEWAN'S ECONOMY

Statistics Canada released April 2023 wholesale trade figures, showing Saskatchewan with an increase of 45.7 per cent compared to the same time last year (seasonally adjusted). This was the third highest percentage change among the provinces.

The total value of Saskatchewan's wholesale trade was \$5.1 billion in April 2023.

"Saskatchewan's economy continues to grow at a healthy pace from the hard work of our producers and manufacturers," Trade and Export Development Minister Jeremy Harrison said. "Today's increase in wholesale trade is further proof that Saskatchewan has the food, fuel and fertilizer that the world needs."

[Increase in Wholesale Trade Boosts Saskatchewan's Economy | News and Media | Government of Saskatchewan](#)

SEEDING IS 99% COMPLETE

Premier Scott Moe, "Seeding is now complete for most across Saskatchewan!"

I share my deepest appreciation for our producers who work day and night to put food on the table for people everywhere.

Thank you for providing some of the highest quality, sustainably produced products that a growing world needs."

**SASKATCHEWAN IS THE SECOND LARGEST PRODUCER OF
URANIUM IN THE WORLD**

Saskatchewan is now the second largest producer of uranium in the world!

Ranked third in 2021, Saskatchewan has now passed Namibia and Australia making our province a frontrunner in supplying a reliable, stable and sustainable supply of uranium.

With production expected to almost double in Saskatchewan this year, this increase ensures more jobs and opportunities for people right here at home.

That's growth that works for everyone.

**PRAIRIE PRIDE: NATIVE PRAIRIE APPRECIATION WEEK KICKS
OFF IN SASKATCHEWAN**

The Ministries of Environment and Agriculture are proud to jointly proclaim the week of June 18 to 24, as Native Prairie Appreciation Week. The native prairie is part of our provincial identity, it is a distinctive ecosystem that brings a multitude of ecological, societal and environmental advantages while providing a habitat for several species.

This year marks the 25th anniversary for both the Saskatchewan Prairie Conservation Action Plan (SK PCAP) and Native Prairie Appreciation Week.

"Native Prairie Appreciation Week serves as a fantastic platform to celebrate the diverseness of the native prairie and its indispensable contribution to preserving Saskatchewan's rich biodiversity, carbon sequestration and other economic and environmental benefits," Environment Minister Dana Skoropad said. "I'd like to congratulate the Saskatchewan Prairie Conservation Action Plan on 25 years of dedication to raising awareness of this significant ecoregion and building partnerships across the province to take action for native prairie conservation."

PLAY, LEARN, GROW. TOGETHER!

Positive guidance contributes to your child's emotional wellness as they grow and learn!

When caregivers and parents create predictable and consistent routines for their children like preparing lunch together, eating meals together, or reading books together, it helps children feel safe and secure and builds a strong social emotional foundation.

For more great tips on helping your child learn through positive guidance visit: <https://bit.ly/3JiqYzu>

THIS WEEK'S SAFETY MESSAGE

Animal bites, both by domestic pets and wild animals, can happen for many reasons. They happen quickly and can be painful and even dangerous if not treated appropriately. All animals, even ones you may know well, need to be treated with respect. Don't assume all animals are friendly at all times.

Most bites result in minor injuries but what should you do if you get a bite?

1) Stop any bleeding by applying direct pressure to the wound.

2) Clean the wound with clean water and soap.

3) Seek immediate care by a doctor if:

- * you are unsure how deep the puncture, scratch or bite is
- * the skin is badly torn or bleeding significantly
- * notice increasing swelling, redness or pain at site
- * there is a risk of tetanus or rabies (you do not know the animal or wild animal)

Call HealthLine 811 if you have questions about an injury as they can help you decide what needs to be done.

HEAT ILLNESSES

Did you know that heat exhaustion can develop quickly when you work or play in hot, humid weather? Your body overheats and raises your core body temperature from 37 to 40 C or 98.6 to 104 F. Learn more: <http://ow.ly/WQNI50OGfX4>

Summer weather is awesome but it brings with it the potential for heat illnesses.

Heat exhaustion symptoms include nausea, fatigue, pale skin, headache, muscle cramps and/or dizziness. If you (or a loved one) feels this way, get out of heat, apply cooling measures and drink cool fluids (avoiding alcohol and caffeine as they can dehydrate you).

HIGH COMMISSIONER OF INDIA VISITS SASKATOON

It was a pleasure to join His Excellency, the High Commissioner of India to Canada and welcome him to Saskatoon. Bob and Sonya Berhari opened up their home for a special welcome gathering.

FUN THINGS TO DO WITH KIDS THIS SUMMER IN SASKATOON!

RCMP Musical Ride at Prairieland Park

Sunny days are here again! Here is a list of great family fun summer activities in and around Saskatoon to keep the kids entertained all summer.

From food trucks to book camps to a self-guided tour seeing the public art in Meewasin, there is so much to see and do in our beautiful city.

Check out the many attractions: [Fun Things to Do With Kids This Summer in Saskatoon \(todocanada.ca\)](http://todocanada.ca)

**BEST BEFORE DATES AND EXPIRATION DATES ARE NOT THE
SAME!**

Best-before dates and expiration dates are NOT the same.

- ➔ **Best Before Date (BB)** is about food quality. Food can be eaten after that date, but it might not be at its best.
- ➔ **Expiration Date (Exp)** is about food safety. It's the **LAST** day you can safely eat it. After that, throw out.

KEEP IN TOUCH

I appreciate any opportunity to make a positive difference in our constituency.

**DROWNING IS THE LEADING CAUSE OF DEATH IN CHILDREN
AGES 1 TO 4**

Are you heading out to one of Saskatchewan's beautiful lakes this weekend or planning to enjoy the backyard pool? Remember to keep water safety top of mind...

Drowning is a leading cause of death in children ages 1 to 4. Children can drown quickly and quietly, even in just a few centimetres of water.

Carefully supervise your children at all times and keep them within arm's reach when they are in water. Swimming devices like floating seats, water wings and neck rings are not intended to save lives and can give a false sense of security.

CLASSIC CANADIAN FOODS!

Credit: As Canada Day approaches, I thought it would be a great time to share some classic food everyone needs to try at least once! From centuries old soups to decadent desserts, here are 10 truly iconic Canadian dishes:

What Canadian food truly captures the time-honoured traditions and flavours of our country, and make for essential eating if you're visiting from afar? Although it's by no means exhaustive, this roundup of 10 quintessential Canadian foods is a great place to start.

1. Poutine

2. Canadian Bacon

3. Beaver Tails

4. Caesars

5. Canadian Pizza

6. Butter Tarts

7. Nanaimo Bars

8. Split Pea Soup

9. Tourtiere

10. Ketchup

SASKATCHEWAN CELEBRATES NATIONAL INDIGENOUS PEOPLES DAY

Celebrating National Indigenous Peoples Day!

June 21st

Together let's recognize and celebrate the history, heritage, resilience and diversity of First Nations, Inuit and Métis people.

Saskatchewan
Party Caucus

June 21 is National Indigenous Peoples Day, and the Government of Saskatchewan encourages all residents to celebrate and recognize the unique heritage, diverse cultures and outstanding contributions of First Nations, Métis and Inuit peoples.

"National Indigenous Peoples Day is a valuable opportunity for people to reflect on our history and learn about the Indigenous peoples that call this land home," Minister Responsible for First Nations, Métis and Northern Affairs Don McMorris said. "Today allows us to show recognition and respect for the role Indigenous Peoples have played and continue to play in shaping Canada as we continue on our path of reconciliation."
